CLEARINGHOUSE RULE 95-029

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

SECTION 2 of the rule should contain some form of paragraph letter and a title. For example, above the word “Statewide” the following should be added: “(g) Crow.”

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. NR 10.01 (3) (es), it would seem that to be consistent with the remainder of the tables found in s. NR 10.01, the title to par. (es) should contain some reference to the kind of animal being hunted. Thus, it would be appropriate to amend the title to read substantially as follows: “(es) Muzzleloader deer season.”
